PHILOSOPHY

Sacred Heart School strives to provide an appropriate environment for students to grow spiritually, intellectually, emotionally, socially, and physically. A strong curriculum employing a variety of learning approaches prepares the student for his/her role in the world. The educational process is further enhanced by the cooperative efforts of students, teachers, administration, parents and the governing body. Spiritual training is aimed at developing the individual student's personal faith experience.

A Catholic education aims:

- to proclaim and teach God's word,
- to celebrate God's presence through prayer and liturgy
- to encourage students to be of service to one another and the community.

Sacred Heart School recognizes that it cannot meet the needs of all students, and reserves the right to deny admittance to a student whose records indicate that an alternative environment would be more appropriate. In addition, when a student is enrolled in the school and it becomes evident that the needs of the student cannot be met at Sacred Heart School, the administration will assist parents in making an alternative choice for their child.

MISSION

Sacred Heart School's mission is to establish a strong foundation for lifelong learning and provide an educational environment in which the basic tenets of Christian morals and ethics are visibly present. Recognizing the unique needs of each student, the faculty and staff will endeavor to nurture, challenge and guide all students toward their maximum academic, spiritual, physical, social, and emotional potential. As a Catholic school, we will emphasize God's word and celebrate His presence through prayer, liturgy, and service to others.

HISTORY

Sacred Heart School, the only Catholic school in Danville, Virginia, was opened September 9, 1953. Located at 344 West Main Street in Danville, it was staffed by the Sisters of Mercy and had an enrollment of 67 students in grades 1-8.

Because of a steady increase in enrollment, the then existing space and facilities were inadequate for the school's needs and purposes. A nine-and-one-half acre plot of land at 708 Randolph Street was purchased, and a new school and adjoining convent were built. This modern air-conditioned facility included a library, gym, chapel, seven conventional classrooms and classroom space for grades K-3.

In 1988 the convent area was renovated to provide a fine arts area, a science lab, a resource room, additional storage and improvements to the preschool area. In addition, the library was expanded to include a reference room. The grounds included a playground for the elementary children, a preschool playground, and a regulation-size field which was graded for sports. During the summer of 1994, an elevator was added to provide for handicapped access to the science lab and resource room. In the fall of 1996 a new building housing a gym and four additional classrooms was constructed. A middle school building was added in 1999 which provided six additional classrooms, office space, and two state-of-the-art computer labs.

Sacred Heart School is accredited by the AdvancED. At the present time, there are students from two-year old preschool through eighth grade enrolled. Sacred Heart School serves Catholics and non-Catholics alike from Danville and surrounding areas.

ORGANIZATIONS AND SUPPORT GROUPS

Parent/Teacher Organization: All parents are members of this organization. Meetings are scheduled throughout the school year. Information about PTO and the upcoming activities are published in a newsletter published monthly and sent home with the weekly newsletter.

School Board: Members of the PTO and the Parish Pastoral Council are recommended for the pastor's consideration. Board appointments are the decision of the Pastor of Sacred Heart Catholic Church. The purpose of the Board is to advise the school administration and monitor school policies and educational programs.

School Finance Council: Members of this group are appointed by the Parish Finance Council and the School Board. The group's purpose is to make recommendations and monitor all school financial matters.

Endowment Management Committee: This group convenes twice a year and holds the responsibility of overseeing the school's endowment fund

ACCIDENT CARE

In the case of an emergency when a parent cannot be reached, SOVAH Health staff operates under the code of Virginia regarding implied consent which states that the licensed health professional or licensed hospital may and should proceed with medical and surgical treatment in cases of emergency even though consent of the parent or guardian is not available.

ADMISSIONS PROCEDURES

Sacred Heart School accepts students regardless of race, creed or color. All candidates for admission must be willing to commit to the philosophy of Sacred Heart School.

1. Entrance Policy-The priority list for Kindergarten and subsequent grades will be:
 - a. Catholic children from Sacred Heart Church and children of present faculty members.
 - b. Siblings of currently enrolled students.
 - c. Children from preschool.
 - d. Children of a Catholic Sacred Heart parishioner.
 - e. Non-parish Catholic children.
 - f. Offspring and siblings of alumni (alumni is defined as anyone who attended the school for five years or more, or graduated from the school).
2. Candidates must meet minimum academic requirements for consideration of application. Prior academic records must be submitted to the school as part of the application process.
3. Pre-entrance screening is required prior to acceptance.

AFTER-SCHOOL PROGRAM

Sacred Heart School has met the requirements for exemption from licensure as a child care center pursuant to Section 63, 1-196.3 of the Code of Virginia. Mrs. Pat Haley supervises the after-school program. Charges are per student; however, a family with three children will not be charged for the third child. **Students must be picked up by 5:30 PM. Students in K-8 not picked up by 3:30 will be placed in the after-school/study hall program at the parent's expense.** Payment for the after-school/study hall program is made directly to the school office. Applications/rates are available in the office.

ARRIVAL AND DISMISSAL

TRAFFIC

Please be aware of the clockwise traffic pattern (vehicles should only be traveling in one direction, entering toward the church, and circling around and through the school parking lot and then exiting at the gym end of the building.)

During the first few weeks of school, drivers are requested to hold up a sign with the last name of the student to be picked up. For carpools, just add the word “carpool”.

Drivers who come a little early should please park. Drivers are requested to circle around if those riding in the car are not ready.

Students in grades 6 to 8 are outside (except for inclement weather) and should see their car as it arrives.

K to 5 students are not allowed to run around the premises without supervision.

DRIVERS ARE URGED TO USE EXTREME CAUTION WHEN DROPPING OFF OR PICKING UP STUDENTS. YOUNGER CHILDREN MAY DART OUT UNEXPECTEDLY. PLEASE BE CAREFUL!

If someone different must pick up your child, please contact the office or send a note. Your child’s safety is our priority.

DISMISSAL PROCEDURE

Any student having to leave before regular dismissal time is required to have a written notice in the morning to be checked through the office. The adult accompanying the student must sign out the student in the school office. Parents are to **wait in front of the building or in the foyer until their child is dismissed.** **K-5 dismissed at 2:45 PM and 6-8 dismissed at 3:00PM.** Please notify the office if your child is to be picked up or to go home with someone different from their usual arrangement.

ATTENDANCE POLICIES

Absences

Parents are asked to call the school by 8:00 AM when their child will be out of school. When returning to school the student **MUST** present a note dated and signed by a parent or doctor indicating the reason for the absence.

Excused absences include, but are not limited to: student illness, sickness or death in family, unforeseen emergencies approved by the principal, routine doctor & dental appointments with a note, required court appearances and religious events.

Unexcused absences include, but are not limited to: vacations and absences beyond ten days without a medical note.

Vacations should not be taken during the school term. This is considered an unexcused absence. If this recommendation is not followed, make-up work will be available **only upon the student's return**. Completed work will be required within a designated period of time (at the teacher's or teachers' discretion) or a **zero** will be given. If assistance is needed it will be up to the parent to obtain outside tutorial instruction. Teachers are not responsible for re-teaching material covered during the unexcused absence.

Any special projects, book reports, or presentations which are due by or during planned absences are due BEFORE the student leaves, or a zero will be given.

For pre-planned absences, upon return to school, it is **the student's responsibility** to receive, complete, and turn in assignments. In addition, teachers are not expected to be available to provide one-on-one assistance to explain direct instruction that was missed. Students will be given an equal number of school nights to turn in the work as the number of school days absent. (i.e.: missed two days, work is due the third day after returning).

Tardiness

All K-5 students should be in the Krueger Multi-Purpose Room by 8:05 AM to be sent to homeroom with their classes. **All students are late after 8:15 and must stop in the school office to sign in and obtain a tardy slip.** Students with

unexcused tardies of three or more for the year will not be considered for the perfect attendance awards that are presented at the end of the year.

Middle School students (grades 6-8) should be seated in their homeroom classes by 8:05 AM and are tardy after 8:15. **All students must stop in the school office to sign in and obtain a tardy slip.** Students in grades 4-8 with three or more unexcused tardies in a quarter (grading period) will not be eligible for honor roll.

Excused tardies include, but are not limited to: illnesses, doctor appointments (with a note from the doctor), extreme family emergencies, and extreme inclement weather, and unpredictable traffic issues.

Unexcused tardies include, but are not limited to: oversleeping and late carpool.

AUTHORITY

The pastor has the authority to make all decisions regarding the school. **If a problem should occur, the matter should be dealt with at the appropriate level-the classroom teacher, then the principal and finally the pastor.**

The Office of Catholic Schools in Richmond, which includes the Chief School Administrator and staff, is responsible for assisting diocesan schools in maintaining academic excellence and serving the educational mission of the Church.

CALENDAR

A calendar for the school year is issued at the beginning of the year. Any changes in calendar dates and dates of scheduled events will be included in the weekly parent newsletter.

CARE OF SCHOOL BOOKS AND PROPERTY

Books are extremely expensive and students **will be** charged for loss or damage to books. Students may purchase their religion books, if desired. Please do not use plastic sticky covers as they ruin the outer cover of the book and please be sure the stretchy covers are big enough. If not, they will tear the bindings.

Each student is responsible for the proper care of the school. Any destruction and/or defacing will be reported to parents, and the **cost of repairs will be paid by the family.**

CONFERENCES/PROGRESS REPORTS AND EVALUATION

Communication with parents is essential and will occur on a regular basis. Any concerns should be directed to the individual teacher by a call to the school office for an appointment; the teacher will return the call to make an appointment. If further discussion should be needed, conferences with the principal should be arranged in the same manner. (See AUTHORITY)

ELECTRONIC DEVICES

Students are discouraged from bringing personal electronic devices to school. Cell phones, iPods, cameras and hand-held video games are **not** permitted in classrooms. It is understood that students may have cell phones in their possession for use after school hours; however personal cell phones are to be **turned off** and stored in lockers or book bags during the school day.

EMERGENCY INFORMATION

School closings will be announced on the local radio stations (WBTM-1330 AM,) and channels 13 (WSET) & 7 (WDBJ) and communicated via email, text and phone call and school messenger communication system.

FEES AND TUITION

In accordance with Diocesan policy, all tuition payments must be made through the [FACTS Management Company](#). There are many flexible options available. You may also prepay your tuition in person through the school office.

A non-refundable registration fee is payable in the spring during the re-registration period. Any changes in tuition costs are presented by April 1st each year. Financial assistance is available, and more information can be obtained in the office. A financial Policy Statement is given out annually with the tuition costs. Families are expected to adhere to the financial policies.

FIELD TRIPS

Trips which will enhance the curriculum are usually taken during school hours. They are planned and designed for students in their particular grade level. School aged students will not be permitted to attend a sibling's class field trip. Permission slips from parents **are required each time**. Parent drivers must have a current insurance form on file in the office and must have completed the VIRTUS training.

VIRTUS

VIRTUS is a course that is a positive response to the abuse issue raised in past years. The United States Council of Catholic Bishops recommended that each Catholic school and church provide training sessions for all adults that work with our children. This session is intended to heighten awareness of this issue and provide constructive recommendations to prevent abuse from occurring. Training sessions are offered throughout the year in both English and Spanish. Prior to the training session, participants must register at [VIRTUS](#) . In order to insure safety; anyone working with our children in the cafeteria, on the playground, in a classroom, ATTENDING a field trip or driving on a field trip must fill out a volunteer packet and complete the VIRTUS course.

FINE ARTS

Sacred Heart is continuing to strengthen its fine arts program.

Students are actively involved in music, and art. Scheduled performances are held for music. Dates are given well in advance and students are expected to participate since it is part of their performance grade for music.

FIRE DRILLS/TORNADO DRILLS

Any person in the school during a fire drill must leave the building along with the students and teachers. Directions for leaving the building are posted in each classroom. As soon as the fire alarm sounds, students walk in silence to the nearest exit in single file and go outside 100 feet away from the building. There are signs in each of the classrooms designating where students should go in the event of a tornado. These guidelines were developed under the guidance of the local Civil Defense agency.

GRADING SCALE

The scale used for K through 2nd is:

- 3 - Meeting grade level standard
- 2 - Developing grade level standard
- 1 - Below grade level standard

The scale used for grades 3rd through 8th is:

- 90-100
- B - 80-89
- C - 70-79
- D - 60-69
- F - 59 or below

HEALTH

Records are kept on file in the office. If a child has a serious health problem, it should be made known by a physician's statement presented to the office staff. Prescription medication will be dispensed through the office, but a written request is required with each prescription.

Non-prescription medication: (i.e., aspirin, allergy tablets) will not be distributed by the office unless the medication is sent in by the parent with a note.

First Aid: (i.e., minor cuts and bruises) can be administered by the office without notifying parents. In the case of a more serious injury (i.e., blow to the head, suspected fracture, abrasion requiring medical attention) an accident form is filled out by the office and parents are notified. It is important that emergency numbers be made available in the event that parents cannot be reached. If no one can be reached and school personnel determine the need for emergency treatment, students will be taken to the SOVAH Health Hospital.

A speech and hearing test for all first grade students is performed by the Danville Speech and Hearing Clinic. The test is optional for all other students, and there is a nominal fee charged.

HEALTH REQUIREMENTS

A certificate from a licensed physician stating that the child has completed his/her immunization against communicable diseases must be presented to the school prior to admission. A birth certificate must also be presented.

Immunizations must include:

- 5 doses of DTP with one dose received after the fourth birthday. If any of these doses must be administered after the seventh birthday, TD (tetanus and diphtheria toxoids) should be used instead of DTP.
- 4 doses of trivalent OPV (oral polio vaccine) with one dose received **after the fourth birthday.**

Students entering kindergarten or first grade will need the following:

- 2 doses of live virus measles (rubella) vaccine received at 12 months of age or older.
- 2 doses of rubella vaccine received at 12 months of age or older.
- 2 doses of mumps vaccine received at 12 months of age or older for students entering school.
- 3 doses of Hepatitis B vaccine
- 1 dose of chicken pox vaccine

All children entering school for the first time must present evidence of a physical examination. This examination must have taken place no more than 12 months prior to the day of entry.

Records of achievement and all previous school records, if any, should be forwarded to the school prior to admission.

Effective July 1, 2006, a booster dose of Tdap vaccine is required for all children entering the 6th grade, if at least five years have passed since the last dose of tetanus-containing vaccine.

HOMEWORK

Homework is an important part of student development and is assigned on a regular basis. The assigned work may be written, studied, or researched and is to reinforce the skills developed during the day. Teachers will coordinate the completion dates of long-term projects.

INSURANCE

All students in grades Pre-K through eight are insured under a group plan provided by a company through the Diocese of Richmond. A small fee is requested for each child to offset the cost to the school.

LIBRARY

The school maintains a library under the supervision of a part-time media specialist. Library rules are explained at the beginning of each year. The school sponsors a “Book Fair” each fall to raise additional funds for the library.

LITURGICAL CELEBRATIONS

Prayers, paraliturgies, and songs are used as a variety of prayer forms. Liturgies are celebrated Wednesday mornings, on holy days and special occasions. Emphasis is placed on the liturgical seasons—especially Advent and Lent—by praying together as a total faith community. Students take an active part in the preparation and celebration of the liturgies.

LOST AND FOUND

Names should be placed on all articles. Lost articles will be placed in lost & found in the copy room. Items not claimed within a reasonable time will be contributed to Goodwill.

LUNCH

Lunch orders should be submitted through [ParentsWeb](#) before the cut off time of 9:00 am.

Parents are asked not to bring in lunches from restaurants. Forgotten lunches should be marked with the student's name and left in the office. Late students should inform office personnel of their lunch orders upon their arrival at school. We welcome parents to join their child for lunch.

MONEY

Any fees not payable through RENWEB or FACTS should be given to the classroom teacher to be sent to the office. **Money for primary students should always be sent in an envelope bearing written instructions. Students should not bring extra money to school.**

OBSERVATIONS-CONFERENCES

A parent wishing to observe a class is asked to notify the school office, and a day and a time will be set up for an observation. Conferences **cannot take place during instructional time or when the teacher is supervising a student activity.**

PHYSICAL EDUCATION

All students are required to participate in physical education classes unless a written excuse has been signed by the parent. Students are tested each year for the President's Physical Fitness Test. Appropriate attire is necessary for gym classes (see DRESS CODE). Students who are unable to participate in physical education activities will be given a written assignment.

PROMOTION GUIDELINES

PROMOTION GUIDELINES FOR THE DIOCESE OF RICHMOND

The Diocese of Richmond's policy requires parental notification at the end of the first semester if there is a possibility of retention. Students and parents are notified to ensure that optimum effort is made during the second semester. The final decision is made at the end of the academic year.

PROMOTION GUIDELINES FOR KINDERGARTEN TO SECOND

Core curriculum areas in these grades are reading and math. In order to move to the next academic level, each student must pass both areas. A student not passing one of the two subjects—reading or math— will be required to attend an approved mandatory summer program.

A student functioning more than a semester below grade level will be required to attend an approved summer tutorial program.

Kindergarten provides a unique developmental program in the area of academic and social growth. Promotion to first grade will be contingent upon successful attainment of the specified area goals—language arts, mathematics, social, physical, and motor development.

It is recognized that there are limited opportunities for summer school in this area. The school will make every effort to assist in formulating and providing a summer program. A written progress report documenting the content of study and the performance of the student should be submitted to the school at the end of any summer remedial work.

PROMOTION GUIDELINES FOR GRADES THREE TO FIVE

Students at this level take the classes listed below. In order to pass to the next grade, each student must pass **every subject at his/her level of competency**. If a student does not pass a subject, an approved individualized remedial program will be mandatory, after which a decision regarding promotion will be made by the administration.

- Religion
- Social Studies
- Science
- Reading
- English
- Spelling
- Math
- Penmanship
- PE
- Enrichment classes

PROMOTION GUIDELINES FOR GRADES 6 TO 8

Grades 6 and 8: Students must pass **all** subjects in which they are enrolled. Students who do not meet the requirements for promotion are not eligible for reenrollment at Sacred Heart School.

RECESS

Students in kindergarten through grade eight will have recess around midday with their teachers.

REPORT CARDS

The purpose of the report card is to keep parents informed of the academic progress of their child. Parents are urged to pay particular attention to grades, daily work and notebooks during the nine week periods. Students are likewise encouraged to be responsible and to share work with parents.

SPORTS

Sport or Athletic Activities are available for students in grades 6-8 after school hours. Eligibility to participate is based upon the following: academic standing, physical fitness and appropriate behavior.

TELEPHONE

The use of the telephone in the school office will be limited to school business. Students are not permitted to use the telephone without written permission from the teacher. Messages will be delivered in emergencies. Cell phone use is not permitted during school hours.

TESTING PROGRAM

Scantron Performance Series Testing for Grades 1-8 is administered at the beginning, middle and end of the school year. These tests not only measure individual progress, but also give the school staff a view of curriculum strengths and weaknesses. A report will be included with your child's report card at the end of the academic year.

The ACRE religion assessment test is administered each year in grade 5.

VISITORS

All visitors are to report to the school office and sign in so as not to unduly interrupt the educational process. All exterior doors remain locked from the outside for security.

VOLUNTEER PROGRAM

Sacred Heart School is a parish school rich in tradition of Catholic education and committed to academic and personal excellence.

TOGETHER, as a family, we are dedicated to creating an enthusiastic vision of the future.

TOGETHER, we teach the method of an unified community.

TOGETHER, we work to grow our spiritual commitment to stewardship.

Research shows that parent volunteerism in schools enhances student self-esteem, increases academic achievement and improves student behavior and attendance. We appreciate the valuable service that you (our parents) provide us. We continue to encourage involvement because we are a family and your support in gifts of time and talent greatly contribute to that family atmosphere and to your child's education.

As a part of the Diocese of Richmond's progressive vision for building the Catholic community, we have adopted a parent service hours program. This program is designed to fill the need for volunteers and show our children our commitment to their education process and to grow in the financial ways we as a school need to survive. The following "Parent Service Hours Program Guide" is published to assist you. **Every family is asked to donate 15 volunteer hours (7.5 for a single parent home) in a single calendar school year or pay a \$280.00 "opt-out" fee.** A list of areas in need of typical service hours is provided as a guide. Any additional suggestions are welcome and appreciated.
