

Dear Parents,

Enclosed is a Math test. We will take it on Tuesday Dec. 8th. Please do not do it ahead of time. Please have it ready and I will read it to them and they will do it with me that day. Just pull it out on Tuesday and after reading we will take the test together.

I also have some Christmas Crafts that we were going to make as we read the story that goes with it. Please have them nearby the computer and we will put them together online after Reading and Math.

Please call on me if you have any questions. Raz-Kids teacher code is **bbrown233**. Your child's username for both Razkids and Go Math is their first name last name no space. Their password is abcd1234.

Thank you,

Beth Brown
