Message from the Principal

I hope everyone enjoyed a little rest and relaxation over Spring Break and is ready for the final part of the school year.

There are so many questions surrounding next year. Many are wondering the configuration of the classrooms, mask requirements, and what specials and sports will be offered. Unfortunately, it is too early to make many of these decisions for the upcoming year. I realize the frustration of living in the unknown and would like to help in one possible way. Starting next week we will host Zoom sessions for each grade for parents to get the chance chat with your child's teacher(s) for the 2021-2022 school year. We will start each session with a short video clip with students in action and some basic information from the classroom teacher. We will then open the session to a Q&A. This is a time to get to know your child's teacher. We realize this does not address all areas of school life, but it will give you the opportunity to ask some questions for the upcoming year.

All sessions are scheduled to begin at 5:00 PM.

Monday, April 19- 4th and 5th

Tuesday, April 20- 1st grade

Wednesday, April 21- 3rd grade

Thursday, April 22- Kindergarten

Monday, April 26- Junior Kindergarten

Tuesday, April 27- 2nd Grade

Wednesday, April 28th- Middle School (6th, 7th, and 8th)
