Week 2

August 30th- September 3rd

MESSAGE FROM THE PRINCIPAL

Well, we all made it through week 1 and now find ourselves in the midst of week 2. I would like to thank everyone for making week 1 such a success, and for taking a few moments to review the dress code and all the beginning of the year information with your student.

This week opened our Fall Performance Series testing for grades 2 through 8. Please be sure your student is getting a good night's rest and a good breakfast before testing. For more information about the Performance Series tests, please speak with your child's teacher. **Please be sure to communicate all absences to the school office.**

This information helps us to know the nature of your child's illness and ensure proper reporting of absences. All health/absence-related information will be kept strictly confidential.

In closing, this week leads us into our first school break. All students and staff will enjoy a 3 day weekend this coming weekend, as we will be closed in observance of Labor Day. Be sure to keep a lookout for important dates in this issue and upcoming issues of our weekly newsletter. Until next week, stay safe and be blessed.
