MESSAGE FROM THE PRINCIPAL

It is hard to believe that October is upon us! It seems like we just started the school year, and now first quarter interims are in the rearview. Speaking of interims, I hope everyone had a chance to review these reports with their children. Should you have questions or concerns regarding the interim reports, please reach out to your child's teacher. We here at SHCS want every student to be successful, and that success starts with great communication. Thank you to everyone for supporting our Mums Sale, while I've not seen the final numbers, early indications are that this was a tremendous success!

Be reminded that we are still collecting items for God's Pit Crew, and we will be having our Walk of Hope this Friday to support the work of House of Hope. Also this week, our 1st Grade students will be celebrating a Grandparent's Day Prayer Service on Wednesday afternoon, which will be available on our Youtube Channel for all to enjoy. Until next week, stay safe and be blessed.

"For I was hungry and you gave me food, I was thirsty and you gave me drink, a stranger and you welcomed me." ~ Matthew 25:35

This fall we will be supporting the homeless in our community through the House of Hope, and collecting donations for the Blessing Bucket program at God's Pit Crew. The students have received sponsorship forms to use for the walk-a-thon portion of our service project. Religion teachers will give community service credit to any students who raise money for the cause AND participate in the walk-a-thon. (The walk-a-thon will be performed during school hours this Friday, October 1st.)

Will will continue collecting items for God's Pit Crew through October 22nd. A list of these items can be found on the attached flyer!

As the tradition of community service continues at Sacred Heart Catholic School, we thank you for your constant support of our endeavors.

SHCS Community Service Projects

Fall 2021

This Fall we will be supporting the homeless in our local community and collecting donations for the Blessing Bucket program at God's Pit Crew. This morning (September 15) we learned about the challenges of homelessness and about steps that we can take to raise awareness and to help. Starting next Wednesday, we will kick off a fundraiser and a donation drive.
