Week 27  
March 13 - March 19

2021-2022  
School Year

## MESSAGE FROM THE PRINCIPAL

Welcome to week 27! I'd like to start with some reminders. First, tomorrow we will have a St. Patrick's day, dress-down day. There is no cost for this dress-down day, just be sure you are wearing green! Coming up next Wednesday, March 23, all Geranium orders must be in to the office. This is a long-standing fundraiser for our school and a great way to add some spring color around your home. On Friday, March 25, students will be dismissed at 12:30 for the end of the 3rd quarter. We will not serve lunch or offer after-school care on that day. We will also have a teacher professional day on Monday, March 28th, so school will not be in session for students. As we enter the spring season, I hope that through all the busy day-to-day activities, everyone can find a little time to enjoy the sights and sounds of spring, the warmer temperatures, and the longer days. Until next week, stay safe and be blessed!

## SECOND WEEK OF LENT ~ PERSEVERANCE TO SUCCEED!

Many of the people we support through CRS Rice Bowl have faced many challenges while trying to provide for their families and pursuing their dreams. With support from Catholic Relief Services, they have been able to overcome these obstacles and grow their businesses while helping their communities along the way. Our contributions help in ways we may never know.

A simple handful of seeds can mean that a family will have food to harvest. In what ways are you being challenged to serve others this Lent? We are having these conversations in our Religion classes here at Sacred Heart. Every little bit we put in our Rice Bowl banks will help our friends around the world.

# Check Out What's Happening in the Library...

March 2022

Virginia 529 holds an annual contest where your child could be selected to win \$529 in an Invest529 account. If you aren't familiar with a 529 account, please check it out!

Your child (**Grades K - 5**) simply needs to read 5 books from a preselected list of books. The titles range from picture books to chapter books and are related to money! Paper forms are being sent home with your child today; however, if you wish to read more about the program or complete the reading challenge online, visit:

<https://www.readingmakescents.com/parents/>

Did you know April is National Poetry Month? Students will learn about many poets and explore poetry during library lessons next month. Want to get a head start? See what kind of poetry you can begin to read at home with your child!
